#### **Independent Auditor's Report**

#### To His Worship the Mayor and the Members of the Council of the City of Charlottetown

#### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of **City of Charlottetown**, which comprise the consolidated statement of financial position as at December 31, 2012, and the consolidated statements of accumulated surplus, operations, changes in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those statements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of **City of Charlottetown** as at December 31, 2012, and the results of its operations, change in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Consolidated Financial Statements **December 31, 2012** 

### 1 Summary of significant accounting policies

The consolidated financial statements of the City of Charlottetown are prepared by management in accordance with generally accepted accounting principles for local governments, as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. Significant aspects of the accounting policies adopted by the City are as follows:

#### a) Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenues, expenses, changes in net debt and changes in financial position of the reporting entity. The reporting entity is comprised of all organizations and committees that are accountable to the City for administration of their financial affairs and resources, and which are owned or controlled by the City. This includes the Charlottetown Water and Sewer Corporation, City of Charlottetown Superannuation Plan and Charlottetown Water and Sewer Corporation Superannuation Plan. Interdepartmental and organizational transactions and balances are eliminated.

#### b) Basis of accounting

The accrual basis of accounting is used for all funds. The accrual basis of accounting recognizes revenues as they are earned and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods and services and the creation of a legal obligation to pay.

#### c) Restricted cash

Cash is held in a separate account to fund sick leave and post-retirement benefits.

#### d) Tangible capital assets

Capital assets are recorded at cost. Capital assets are amortized using the straight-line method at the following annual rates:

| City of Charlottetown                     |        |
|---|--------|

#### e) Sick leave and post retirement benefits

The City provides sick leave benefit plans allowing employees' unused sick leave to accumulate to a maximum of 75 days.

The City provides post retirement benefits to employees based on length of service and final earnings. The post retirement benefits are three months' salary upon completion of ten years of full time continuous service and an additional one month for each extra five years of service (to a maximum of six months).

The City has recorded sick leave and post retirement benefits as a liability based upon actuarially calculated benefit obligations.

#### f) Management estimates

The presentation of financial statements in conformity with Canadian generally accepted accounting principles for local governments requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reported period. Significant estimates, which include employee benefit liabilities and the estimated useful life of tangible capital assets, are based on management's best information and judgment. Actual results could differ from those reported.

#### g) Financial instruments

Financial instruments consist of cash, accounts receivable, restricted cash, Superannuation Plan net assets available for benefits, bank loans and advances, accounts payable and accrued liabilities, sick leave and post retirement benefits, Superannuation Plan accrued pension obligations and long-term debt.

#### h) Fair value of financial instruments

The City has evaluated the fair value of its financial instruments based on the current interest rate environment, market values, and the actual prices of financial instruments with similar terms. The carrying value of financial instruments is considered to approximate fair value.

#### 4 Pension Plans

The City maintains a defined benefit pension plan for its employees. The Water and Sewer Corporation maintains a defined benefit pension plan for permanent employees of that Corporation who entered the plan prior to its closing in 2000. The plans specify pension and death benefits to employees based on length of service and earnings.

Actuarial valuations for the Superannuation Plans are completed every three years. The most recent actuarial valuations of the City of Charlottetown Superannuation Plan and the Charlottetown Water and Sewer Corporation Superannuation Plan were completed as at December 31, 2010. Based upon the extrapolated information provided by the actuaries, the actuarial present value of the pension assets and accrued pension obligations as at December 31, 2012 for the City of Charlottetown Superannuation Plan is \$50,951,700 and \$55,842,500 respectively. The actuarial present value of the pension assets and accrued pension obligations as at December 31, 2012 for the Charlottetown Water and Sewer Corporation Superannuation Plan is \$7,577,200 and \$8,508,800, respectively. An actuarial deficit of \$4,890,800 for the City of Charlottetown Superannuation Plan and an actuarial deficit of \$931,600 for the Charlottetown Water and Sewer Corporation Superannuation Plan existed at that date.

Notes to Consolidated Financial Statements **December 31, 2012** 

The net change in the City of Charlottetown Superannuation Plan and the Charlottetown Water and Sewer Corporation Superannuation Plan net assets available for benefits less accrued pension obligations is recorded on the Statement of Operations as "Actuarial pension adjustments".

The pension obligations are combined on the consolidated Statement of Financial Position and shown under Liabilities. The offsetting investments held by the two Superannuation Plans against these liabilities are shown under Assets.

Both Superannuation Plans are registered pension plans which allow employee contributions to be tax deductible by the employee and investment earnings in the investment funds to be tax sheltered. In order to maintain their registered status, the pension administrators must administer the plans in accordance with rules set out by Canada Revenue Agency.

Separate audited financial statements of the Plans' assets, liabilities and operations have been prepared for December 31, 2012.
