MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

These consolidated financial statements are prepared by management of the City of Charlottetown in accordance with Canadian Accounting Standards for the Public Sector and on a basis consistent with that of the preceding year, as required by the Municipal Government Act of Prince Edward Island.

Responsibility for the integrity and objectivity of these consolidated financial statements rests with Council and management. These consolidated financial statements are prepared on a full accrual basis of accounting. The information included in these consolidated financial statements is based on management's best estimates and judgment, with due consideration given to materiality.

To fulfill its accounting and reporting responsibilities, management maintains systems of financial management and internal control which give due consideration to costs, benefits, and risks. These systems are designed to provide reasonable assurance that transactions are properly authorized, are executed in accordance with prescribed bylaws, regulations and/or legislation, and are properly recorded so as to maintain accountability and safeguard the assets of the City. The systems are also designed and monitored to ensure reliable information is available on a timely basis.

The Finance, Auditing and Tendering Committee, a standing committee of Council, meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The independent auditor completes an audit of these consolidated financial statements and issues an Independent Auditor's Report to Council. The accompanying Independent Auditor's Report outlines the Auditor's responsibilities, the scope of the examination, and their opinion on the consolidated financial statements of the City.

Chief Administrative Officer

November 14, 2022

INDEPENDENT AUDITOR'S REPORT

TO THE MAYOR AND MEMBERS OF COUNCIL

Opinion

We have audited the consolidated financial statements of the City of Charlottetown (the "City"), which comprise the consolidated statement of financial position as at March 31, 2022, and the consolidated statements of operations, changes in net debt and cash flow for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the City of Charlottetown as at March 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for the Public Sector.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Accounting Standards for the Public Sector and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MRS Charlotte Professional Accountant Inc.

M|R|S|B

**CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

1. Description of Business

The City of Charlottetown (the "City") is incorporated under the Municipal Government Act of Prince Edward Island. The City is a municipal organization under the Income Tax Act.

2. Basis of Presentation

These consolidated financial statements of the City of Charlottetown have been prepared by management in accordance with Canadian Accounting Standards for the Public Sector and on a basis consistent with that of the preceding year, as required by the Municipal Government Act of Prince Edward Island.

These consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenditures are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

These consolidated financial statements have been prepared on a going concern basis.

These consolidated financial statements for the City of Charlottetown reflect the assets, liabilities, revenues, expenditures, change in net debt and annual surplus of the City. The City is comprised of the municipal operations, plus all of the organizations that are owned or controlled by the City and are, therefore, accountable to City Council for the administration of their financial affairs and resources. Included in the reporting entity are the following:

- Charlottetown Water and Sewer Corporation
- Capital Area Recreation Inc. ("CARI")
- Planning Board
- Heritage Board
- Beautification and Forestry Advisory Board
- Parks, Recreation and Leisure Activities Advisory Board
- Economic Development Advisory Board
- Seniors Advisory Board
- Youth Retention Advisory Board
- Civic Board for Persons with Disabilities Advisory Committee
- Police Community Consultative Group
- Arts Advisory Board
- Special Events Reserve Fund (SERF)

Under the consolidation method, entities are consolidated on a line by line basis, interentity transactions and balances are eliminated upon consolidation, and accounting policies are adjusted to those of the City.

A government partnership arrangement is a contractual arrangement between the City and a party or parties outside of the City's reporting entity. The partners have significant, clearly defined common goals, make a financial investment in the partnership, share control of decision making, and share, on an equitable basis, the significant risks and benefits associated with the operations of the government partnership. The City's interest in partnerships is accounted for using the proportionate consolidation method. The City's government partnership arrangements include the following:

- Charlottetown Civic Centre Management Inc. ("CCCMI")

**CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

2. Basis of Presentation (continued)

Purpose of CCCMI

In October 1998, the City of Charlottetown and the Province of Prince Edward Island entered into a joint management agreement which established the Charlottetown Civic Centre Management Inc. (CCCMI). CCCMI is a joint management company created for the purposes of overseeing and managing the operations of the Charlottetown Civic Centre/Arena Complex and the Trade Centre Complex.

A government business enterprise is a self-sustaining organization that has the financial and operating authority to sell goods and services to individuals and non-government organizations as its principal activity and source of revenue. Government business enterprises are accounted for on the modified equity basis. Their accounting principles are not adjusted to conform with those of the City. The total net assets of all government business enterprises are reported as a separate item on the Consolidated Statement of Financial Position. The total net income from all government business enterprises is reported as a separate item on the Consolidated Statement of Operations. The City's investment in government business enterprises include the following:

The Charlottetown Area Development Corporation ("CADC")

3. Accounting Policies

Cash

Cash comprises cash on hand and bank deposits/overdrafts and short term indebtedness at financial institutions.

Restricted Cash

Restricted cash is comprised of cash held in a separate bank account to fund sick leave and post-retirement benefits. These funds have been internally restricted. Also, restricted cash includes the Special Events Reserve Funds (SERF), Switch Program and Canada Community Building funds, which are externally restricted.

Accounts Receivable and Capital Grants Receivables

Accounts receivable arise from billing of sewer and water services, Harmonized Sales Tax recoverable, government funding, and miscellaneous receivables. An allowance for bad debts has been calculated through discussions with management, assessment of the other circumstances influencing the collectibility of amounts and using historical loss experience. Amounts deemed non-collectible are written off and deducted from the carrying value of the receivable. Amounts subsequently recovered from accounts previously written off are recorded in revenue in the period of recovery.

**CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

3. Accounting Policies (continued)

Loans Receivable

During the year, the City received funding from the Federation of Canadian Municipalities' Green Municipal Fund to provide residents with interest free loans to complete home upgrades relating to energy efficiency, renewable energy, and energy storage projects. Residents have access to borrow up to 15% of the assessed value of their home to finance such upgrades. Repayments are made in monthly installments with maximum repayment period of up to 15 years. At March 31, 2022, the City has not recorded a valuation allowance for any expected collectibility issues.

Deferred Revenue

Deferred revenue is recorded when funds received are restricted by external parties for a stated purpose, such as a specific program or the purchase of tangible capital assets. Deferred revenue is recognized as revenue over time as the recognition criteria are met.

Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for the use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the annual surplus, provides the change in net debt for the year.

Certain items of historical value are not recognized in these financial statements.

Inventory of Supplies and Inventory for Resale

Inventory of supplies are held for consumption or use by the City in the course of its operations and are recorded at the lower of cost and current replacement cost.

Prepaid Expenses

Prepaid expenses are cash disbursements for goods or services, other than tangible capital assets and inventories of supplies, that will provide economic benefits in one or more future periods. The prepaid amount is recognized as an expenditure in the period the good or service is used or consumed.

Intangible Assets

Intangible assets, which consists of the City's official plan, are stated at cost and will be amortized over the estimated useful life once the official plan is complete.

CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022

3. Accounting Policies (continued)

Tangible Capital Assets

Assets are recorded at cost when in excess of \$2,500 and include all amounts that are directly attributable to acquisition, construction, development, or betterment of the asset. The cost of the tangible capital assets is amortized on a declining balance method at the following annual rates:

Land improvements	2.5% - 5%
Buildings	2.5%
Computers	20%
Computer software	20%
Road infrastructure	5%
Furniture and fixtures	20%
Light vehicles	20%
Heavy vehicles	10%
Fire trucks	4%
Streets/sidewalks	4%
Storm sewers	2%
Equipment	20%
Water, sewer, and treatment plant	2%

The City does not capitalize interest associated with the acquisition or construction of tangible capital assets. Assets under construction are not amortized until they are available for use.

Contributions of tangible capital assets are recorded at their fair market value at the date of contribution.

Leased Tangible Capital Assets

Leases, which transfer substantially all of the benefits and risks incidental to ownership, are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

Contaminated Sites

The City of Charlottetown accrues a liability to estimate the cost to remediate contaminated sites to the level necessary to allow the property to meet the environmental standard appropriate to its current use or status. The liability is based on estimates and assumptions using the best information available to management.

Pension and Post Employment Benefits

The costs of post employment benefits are recognized when the event that obligates the City occurs. Costs include projected future income payments and fees paid to independent administrators of these plans.

The costs of post employment benefits are actuarially determined using the projected benefits method prorated on service and management's best estimate of retirement ages of employees and salary escalation. Liabilities are actuarially determined using discount rates based on management's expectations.

**CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

3. Accounting Policies (continued)

Reserves

Certain amounts approved by Council are set aside in surplus for future expenditure related to sick leave, post employment benefits and special events. Transfers to/from reserves are recorded as an adjustment to the reserve when approved and when payments are made.

Revenues

Property tax billings are based on assessments prepared by the Province of PEI. Tax rates are established annually by Council and recorded monthly as received from the Province of PEI. Assessments and the related property taxes are subject to appeal. Tax adjustments as a result of appeals are recorded when the results of the appeal process are known.

Revenues are recorded on the accrual basis and are recorded as revenue when earned and collectability is reasonably assured.

User fees relate to fees for various programs and fees imposed on specific activities. Revenue is recognized when the activity or service has been performed.

Government transfers are recognized as revenue in the year during which the transfer is authorized and all eligibility criteria are met, except when and to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers meeting the definition of a liability are recorded as deferred revenue and are recognized as revenue when the funds are used as intended.

Expenditures

Expenditures are recorded on an accrual basis. Expenditures are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay. Provisions are made for probable losses on accounts receivable and for contingent liabilities when it is likely that a liability exists and the amount can be reasonably determined. These provisions are updated as estimates are revised, at least annually.

CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022

4. Measurement Uncertainty and Use of Estimates

Uncertainty in the determination of the amount at which an item is recorded in the consolidated financial statements is known as measurement uncertainty. Many items are measured using management's best estimates based on assumptions that reflect the most probable set of economic conditions and planned courses of action. Uncertainty exists whenever estimates are used because it is reasonably possible that there could be a material difference between the recognized amount and another reasonably possible amount.

Measurement uncertainty exists in the accruals for such items as pension, lawsuits, sick and post-retirement obligations, liabilities for contaminated sites, allowance for doubtful accounts, inventory values, and amortization of tangible capital assets. The nature of the uncertainty in the accruals for pension, sick and post-retirement obligations arises because actual results may differ significantly from the various assumptions about plan members and economic conditions in the marketplace. Uncertainty exists in the liabilities for contaminated sites because the actual extent of the remediation activities, methods, and site contamination may differ significantly from the original remediation plans. Uncertainty exists in the allowance for doubtful accounts as actual collections may vary from management's estimates. Uncertainty exists in the amount recorded for amortization of tangible capital assets as actual useful lives of the tangible capital assets may vary from management's estimates. Uncertainty exists in the amount recorded for inventory values as inventory may become obsolete or unusable.

5. Cash (Bank Indebtedness)

	2022	2021
Externally restricted cash (Note 21)	\$ 14,039,542	\$ 7,032,136
Unrestricted cash	9,939,178	15,880,702
Internally restricted cash (Note 21)	2,251,502	2,505,186
Bank indebtedness	<u>(7,496,666)</u>	<u>(5,399,435)</u>
	<u>\$ 18,733,556</u>	<u>\$ 20,018,589</u>

The City and Utility Corporation has approved credit facilities with RBC of \$10,000,000 each; secured by resolution approved by council; short term financing on capital projects.

The City pools its various bank accounts and draws on the overdraft up to its net cash balance. Once the net cash position is exceeded, lines of credit are accessed.

The City and Utility Corporation also has approved lines of credit with National Bank for \$10,000,000 each for short term financing on capital projects which have not been drawn as of year end date.

6. Accounts Receivable

	2022	2021

Key Activities and Commitments:

Demand loans of \$11,976,067 (2021 - \$10,326,067) are due on demand, interest at prime minus .1% and bankers' acceptance rate plus .75%, with interest paid monthly.

The 2.95%, 2.92%, 3.11%, 4.18% and 2.48% mortgages and the demand loans are secured by a general security agreement representing a first charge on all assets, continuing collateral mortgages representing a first charge on all real property known as Harbourside Complex and an undertaking not to encumber or mortgage the property at 119 Euston Street, assignment of mortgage receivable and fire insurance for Harbourside Complex, and general assignment of rents representing a first charge on rents on the Harbourside Complex. A first mortgage on land and buildings located in the BioCommons Park, a promissory note and general assignment of rents representing a first charge on rents on the Bio Manufacturing Incubator have been pledged as security for the 3% mortgage due December 2026.

The debt agreement contains certain restrictive covenants which require the maintenance of a specific ratio. As at March 31, 2022, the consolidated entity was able to maintain a total debt service ratio of 100%, and is therefore in compliance with the covenant.

The Province of Prince Edward Island is the majority shareholder of The Charlottetown Area Development Corporation and the City of Charlottetown, the Town of Stratford, and the Town of Cornwall are minority shareholders. Included in accounts receivables was \$23,756 (2021 - \$15,119) due from City of Charlottetown and included in accounts payable was \$Nil (2021 - (\$10,743)) due to City of Charlottetown.

CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022

9. Accrued Pension Liability

The City of Charlottetown maintains a defined benefit pension plan for its full time employees. The Charlottetown Water and Sewer Corporation maintains a defined benefit pension plan for its full time employees who entered the plan prior to its closing in 2000. Actuarial valuations of the Superannuation Plans are completed every three years with the most recent valuation provided as of the effective date of December 31, 2019 by Eckler Partners Ltd., a firm of consulting actuaries. The valuation results are extrapolated on an annual basis by the actuaries. The next valuation is scheduled to be completed for the year ending December 31, 2022.

In determining liabilities and current service costs, the actuaries have used the projected unit credit method, prorated on service. Actuarial gains and losses are to be amortized over the expected average remaining service life of active employees, which have been determined to be five years for the Water and Sewer Corporation and eleven years for City employees.

The actuarial valuation was done using the following assumptions:

Assumption	March 31, 2022	March 31, 2021
Pre-retirement discount rate	City - 5.85% per annum Water & Sewer - 5.55% per annum	City - 5.85% per annum Water & Sewer - 5.55% per annum

CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022

9. Accrued Pension Liability (continued)

Employee Future Benefits - Defined Contribution Pension Plan

The City provides the Mayor, CAO, and Council with a defined contribution pension plan. RRSP payments are made by the City directly to the financial institution on behalf of certain individuals (self-directed RRSP plans) and for others the City administers the RRSP account. This RRSP plan is in the name of the City with the CAO named as the administrator on the account. The March 31, 2022 contribution rate was 12.25% (2021 - 12.25%) and contributions for Mayor and Council for 2022 are \$58,893 (2021 - \$55,574) and CAO were \$Nil (2021 - \$Nil).

Charlottetown Civic Centre Management Inc. maintains a defined contribution RRSP plan for certain employees. RRSP expense for these employees for the year ended March 31, 2022 is \$10,717 (2021 - \$11,540) and is included in payroll expenses.

Capital Area Recreation Inc. maintains a defined contribution RRSP plan for certain management and administration employees. RRSP plan is a 5% matching contribution plan. RRSP expense for these employees for the year ended March 31, 2022 is \$66,062 (2021 - \$59,265) and is included in payroll expenses.

10. Deferred Revenue

	2022	2021
Canada Community Building Fund	\$ 9,199,170	\$ 6,019,943
CCCM - deferred contributions	978,986	166,418
CARI - deferred contributions	735,319	2,078,780
Parking	579,250	579,250
Tourism Accommodation Levy	556,089	597,046
Province of PEI	520,352	375,844
Province of PEI Safe Restart Funding	292,060	1,000,000
Other	175,128	132,698
Active Transportation Fund	157,025	775,775
	<u>\$ 13,193,379</u>	<u>\$ 11,725,754</u>

Under the Canada Community Building Fund for Incorporated Communities, the City was allocated \$7,172,694 for fiscal year ending March 31, 2022 and \$3,301,715 for fiscal year ending March 31, 2021. These funds, along with interest earned, must be used for eligible infrastructure and capacity building projects. Any funds received under this program, including interest earned, but not yet spent are recognized as deferred revenue at the end of the period.

During the year, the City received Canada Community Building funding of \$7,172,694 (2021 - \$3,301,715), incurred eligible expenditures of \$4,042,665 (2021 - \$3,798,524), and earned interest of \$49,097 (2021 - \$30,856).

Amounts included in deferred revenue related to parking are based on agreements whereby the City receives certain amounts which are required to be used for the creation of parking spaces within the City or are payment in lieu of the developer providing parking. The City has restricted these amounts for use on parking and related costs.

**CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

11. Sick Leave and Post Employment Benefits

The City of Charlottetown provides sick leave benefits allowing employees' unused sick leave to accumulate to a maximum number of days, which varies by employment agreement. The City of Charlottetown also provides for the payment of post-employment benefits to employees based on length of service and final earnings. The post-employment benefits are calculated at three months' salary upon completion of ten years of full-time continuous service as well as an additional one month for each extra five years of service, to a maximum of six months.

Employees who reach retirement age with at least 10 years of continuous full-time service shall receive a payment as follows:

At least 10 years	3 months salary
At least 15 years	4 months salary
At least 20 years	5 months salary
At least 25 years	6 months salary

Eligible employees earn 18 sick leave days per year or 1.5 days for every month of service. Employees may accumulate 100% of their unused sick days, up to a maximum of 300 days for CUPE 501 WWTP, CUPE 830, and Police and 350 days for UPSE, management and Non Union and CUPE 501 Civic in a sick leave bank for use in future years. Following 90 days of illness, an employee may qualify for the City's long term disability plan. When an employee terminates, retires or dies prior to retirement, 50% of unused accumulated sick leave days to a maximum of 75 days at date of retirement/ death/ termination will be paid to the employee and following this payment, any unused accumulated days are forfeited.

Actuarial valuations of the accrued benefit obligations for the above benefits were completed as of the effective date of March 31, 2022 by Eckler Partners Ltd., a firm of consulting actuaries. The valuation results prepared by Eckler Partners Ltd. at December 31, 2016 were extrapolated to March 31, 2021 for comparative information and to March 31, 2022 for current period amounts.

In determining liabilities and current service costs, the actuaries have used the projected unit credit method, prorated on service. Actuarial gains and losses are to be amortized over the expected average remaining service life of active employees, which was approximately 12 years as at March 31, 2022.

The actuarial valuation was done using the following assumptions:

Assumption	March 31, 2022	March 31, 2021
Discount rate	3.09% per annum	3.00% per annum
Retirement age	65% at the age at which "Rule of 85" is attained 35% at age 65	65% at the age at which "Rule of 85" is attained 35% at age 65

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

12. Long Term Debt (continued)

Principal portion of long term debt is expected to be repaid over the next five years and thereafter as follows:

2023	\$ 7,603,573
2024	7,358,919
2025	6,598,226
2026	5,928,295
2027	6,088,439
Thereafter	61,358,169

Long term debt loans are secured by Borrowing Resolution approved by Council.

13. Commitments and Contingencies

a) Property tax relief

For development and cultural reasons, the City has agreed to reduce its portion of property taxes for the Confederation Centre of the Arts, the Charlottetown Airport Authority, Capital Area Recreation Inc. and various organizations under the Development Tax Incentive Program and the Heritage Grant Program. For the year ended March 31, 2022, this amounted to total property tax reductions of \$1,072,404 (2021 - \$1,069,506).

b) Legal matters

The City is involved in certain legal disputes concerning grievance and other labour disputes. No amounts have been accrued by the City as the outcomes of the disputes are uncertain. There are claims that are being defended by the City's insurer in which the only potential expense for the City is for the policy deductible and/or any claims for punitive or exemplary damages.

c) Capital Area Recreation Inc.

The City has agreed to provide 87% to the capital addition or replacement cost, net of any funding from the Town of Stratford or any other private or public entities.

d) Transit service

A resolution of City Council on September 14, 2015 approved renewing their agreement with Trius Tours for the purpose of providing transit service for the City of Charlottetown. The agreement was renewed for the period beginning October 1, 2015 and ending on September 30, 2025 but includes provision to end with notice given. For the year ended March 31, 2022, the annual subsidy provided by the City to Trius Tours is \$1,157,320 (2021 - \$1,115,710). This amount will increase every year by the Consumer Price Index until the agreement expires. The agreement can be terminated by either party by providing notice.

YEAR ENDED MARCH 31, 2022**

13. Commitments and Contingencies (continued)

e) City Contracts

Through resolutions of City Council, the City has committed to spend \$609,128 for various capital projects and \$14,496 for annual commitments. The City has also signed a contract with Honeywell Limited to have energy upgrades completed on various buildings. The total contract is for \$6,849,081 and costs of \$5,097,289 have been incurred as of March 31, 2022. The Water and Sewer Corporation has awarded tenders totaling \$3,194,862 for capital projects to be completed over the next fiscal year and committed \$94,161 for annual commitments.

f) Bell Aliant Regional Communications Commitment

The City of Charlottetown has a contract with Bell Aliant Regional Communications to acquire all local access, internet, data and long distance phone services for a period of ten years commencing January 1, 2014 and expiring December 31, 2023. Also, as part of the agreement, the City receives \$70,000 for the naming rights of CARI.

g) Water level and flow monitoring

Through a Memorandum of Agreement signed with Environment Canada on August 29, 2016 the City is committed to providing funding towards the water level and flow monitoring at two locations on the Winter River. The total funding committed for the March 31, 2023 fiscal year is \$32,000.

YEAR ENDED MARCH 31, 2022

14. Budget Figures

The columns presented as budget on the statements of operations, changes in net debt and the attached schedules were not subject to audit or review by the external auditor.

Charlottetown Area Municipal Act Section 37 requires that the City cannot budget for a deficit and the City is in compliance with the Act.

A reconciliation of the 2022 fiscal operating budget prepared by Council to the budget figures disclosed in the consolidated financial statements is as follows:

Revenues	Per Budget Document	Net Adjustments	Consolidated Budget
Property taxes	\$37,415,226	\$-	\$37,415,226

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

19. Decommissioning Costs

During the year ended December 31, 2016, the City approved a project which included the decommissioning of the lagoon in East Royalty. A provision for this site has been recorded as it was determined that a liability exists and a reasonable estimate of the remediation costs could be determined. As at March 31, 2022, a total liability for the decommissioning of the East Royalty Lagoon of \$181,323 (2021 - \$198,752) has been recorded in accounts payable and accrued liabilities.

20. Contaminated Site

The City approved a project to estimate the cost of a landfill closure plan for East Royalty Landfill site. A provision for this contaminated site has been recorded as it was determined that a liability exists and a reasonable estimate of the remediation costs could be determined. As at March 31, 2022, a total liability for the closure of East Royalty Landfill of \$4,825,247 (2021 - \$4,825,559) has been recorded in accounts payable and accrued liabilities. As at March 31, 2022, a total liability for the annual monitoring for the East Royalty Landfill of \$535,582 (2021 - \$540,672) was recorded in accounts payable and accrued liabilities.

21. Restricted Cash

Restricted cash is comprised of cash held in a separate bank account to fund sick leave and post-employment benefit. These funds have been internally restricted. The continuity of restricted cash is as follows:

	2022	2021
Internally restricted cash available for benefits - beginning of year	\$ 2,505,186	\$ 2,753,165
Due to operating fund for benefit payments	<u>(253,684)</u>	<u>(247,979)</u>
Internally restricted cash available for benefits - end of year	<u>\$ 2,251,502</u>	<u>\$ 2,505,186</u>

Also, restricted cash is comprised of cash held in a separate bank account to fund Gas Tax funds. These funds have been externally restricted. The continuity of restricted cash is as follows:

Externally restricted cash - beginning of year	\$ 6,435,090	\$ 8,721,871
Contributions	7,172,694	3,452,965
Interest earned	49,097	14,478
Payments and transfers	<u>(834,758)</u>	<u>(5,754,224)</u>
Externally restricted cash - end of year	<u>\$12,822,123</u>	<u>\$ 6,435,090</u>

**CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

21. Restricted Cash (continued)

Also, restricted cash is comprised of cash held in a separate bank account for Special Events Reserve Funds (SERF). These funds have been externally restricted. The continuity of restricted cash is as follows:

Externally restricted cash - beginning of year	\$ 597,046	\$ 546,274
Contributions	672,214	340,640
Payments	<u>(713,172)</u>	<u>(298,868)</u>
Externally restricted cash - end of year	<u>\$ 556,089</u>	<u>\$ 597,046</u>

Also, restricted cash is comprised of cash held in a separate bank account for Switch program funding. These funds have been externally restricted. The continuity of restricted cash is as follows:

Externally restricted cash - beginning of year	\$ -	\$ -
Contributions	1,618,650	-
Payments	<u>(957,220)</u>	<u>-</u>
Externally restricted cash - end of year	<u>\$ 661,330</u>	<u>\$ -</u>
Total externally restricted cash	<u>\$14,039,542</u>	<u>\$ 7,032,136</u>

22. Risk Management and Financial Instruments

The City is exposed to various risks through its financial instruments, including credit risk, interest rate risk, and liquidity risk. The City employs various risk management strategies and operates within fixed risk exposure limits to ensure exposure to risk is managed in a prudent and cost effective manner. The following provides information about the City's risk exposure as of March 31, 2022.

Credit risk

Credit risk arises from the potential that a party will fail to fulfill its obligations. The City is exposed to credit risk from customers. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends, and other information. The City has a significant number of customers which minimizes concentration of credit risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in interest rates. In seeking to minimize the risks from interest rate fluctuations, the City manages exposure through its normal operating and financing activities. The City is exposed to interest rate risk primarily through its interest rates on operating loans and long term debt that could change upon the maturity date.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The City is exposed to this risk mainly in respect of receipt of government funding, long term debt and accounts payable.

**CITY OF CHARLOTTETOWN
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2022**

25. Subsequent Events

The recent outbreak of the Coronavirus Disease 2019, or COVID-19, has spread across the globe and is impacting worldwide economic activity. This global pandemic poses the risk that the City or its residents, employees, contractors, suppliers and other partners may be unable to conduct regular business activities for an indefinite period of time. While it is not possible at this time to estimate the impact that COVID-19 could have on the City's business, the continued spread of COVID-19 and the measures taken by the federal and provincial governments to contain its impact could adversely impact the City's business, financial condition or results of operations. The extent to which the COVID-19 outbreak impacts the City's results will depend on future developments that are highly uncertain and cannot be predicted, including new information that may emerge concerning the spread of the virus and government actions.
