Rooted in Art
TREES THROUGH ARTISTS' EYES

Self-Guided Tour
September 23 - October 8, 2023

Rooted in Art is a tree appreciation initiative that is intended to celebrate the importance and beauty of Charlottetown's urban forest. Four Island artists have used some of Charlottetown's beautiful trees as inspiration for a series of temporary art installations. Follow this self-guided tour to experience all four installations and to learn more about the trees and artists involved!
